Thank you for booking a camp at the Barambah Environmental Education Centre. Our curriculum programs are designed to ensure we offer students and teachers the highest quality learning experience. We are passionate about providing environmental education programs that maximise student immersion in our unique Barambah environment and a 'Barambah Experience' will not only support classroom curriculum delivery but provide a unique opportunity for students to engage with our centre purpose of connecting people and place.

This Guide contains all the information you will need to organise a camp at Barambah EEC. Forms and templates are provided should you wish to use them. If you have any further questions, please don't hesitate to contact us.

Visiting Teacher Responsibilities

Before the Camp

- Arrange Activity consent, medical forms. Sample form and information sheets are provided on pages 8-22.
- Arrange transport (no transport is provided by the Centre).
- Arrange catering - see page 4
- Send home the Plant List and Letter for Parents (pages 20-21) if you would like students to have the opportunity to purchase native plants – Collate the order forms, collect money and bring them with you to camp.
- Arrange for a suitable number of school staff to attend the excursion – see page 7. It is preferable that the group should be accompanied by at least one male and female adult. If this is not possible, please contact us. Schools selecting 'Barambah Challenge' program should send one staff member or adult for every 8-10 students. All adults will be required to hike for an extended time as part of this program. Please note that these hikes can include challenging terrain.
- Prepare night activities if the excursion extends longer than one night. (Centre staff will run the night program on the first night of your camp).
- Ensure you are familiar with the Centre's safety requirements – see pages 2 and 3.
- Organise room allocations – (see page 19).
- Complete the Pre-visit Information and Student and Adult List (see pages 15-18) ensuring that all attending students and adults are listed. Please fax or email the completed list to the Centre by the Friday morning prior to the camp (we understand there may be last minute changes). Please add any medical, physical and learning considerations that will assist Centre staff to cater for the individual needs of students. This list will be used to prepare name badges.
- Please also send copies of all student management plans, including Asthma and Anaphylaxis Management Plans, by the Friday morning prior to camp. This assists us to best prepare for the needs of your students.
- Ensure that sick or recuperating children do not attend the camp. This prevents the possible spread of viral infection.

Visiting Teacher Responsibilities

During the Camp

- Ensure all Student Consent and Medical Forms are readily available if required.
- Participate in Orientation Tour of the Centre with Centre staff.
- Ensure all students are ready on time for activities and have all the necessary equipment with them e.g. full water bottles, hats, sunscreen, long pants, name badges
- Allocate an adult to supervise at each washing up and tidying of dining room.
- After meals, ensure that:
 - dining hall floor is swept
 - tables and bench tops are wiped, chairs are stacked
 - washing up is completed
 - composting and recycling has been completed
- Issue medication as per Departmental Guidelines.
- Visiting teachers and support staff are expected to fully participate in activities conducted by Centre Staff. At least one staff member needs to accompany each group out on activities.
- Assist with the delivery of the first night activities and conduct a suitable program on subsequent nights.
- If sickness occurs while on camp, contact will be made with the school for removal of the sick child, so that proper care may be given.
- During students' free time, visiting teachers are responsible for monitoring all activities to ensure students are safe and Centre facilities are cared for.**
- Support students to follow environmental and behavioural guidelines at all times.

Health and Safety

Emergency Situations

In the event of an accident involving major injury, contact will be made with the nearest ambulance, doctor or hospital for treatment. Communication will also be made with the injured person's emergency contact as listed on the medical forms and the visiting school. Minor injuries will be treated by Centre staff and/or other qualified adults. Visiting teachers must be familiar with emergency procedures to be followed in the absence of Centre Staff. There is no mobile phone service available at Barambah, however a landline and satellite phone are available for emergencies.

Medication

Attention is drawn to Departmental Guidelines regarding the administration of medications to children. These regulations apply at the Centre and must be strictly adhered to. Medications are to be stored in the First Aid area of the centre office. A record must be kept of each administration. Teachers or school staff must collect all medications from children and are responsible for their administration.

Fire Emergency

The Principal, staff member or visiting group leader will:

- Sound the fire alarm or yell “Fire Fire.....Fire”
- Ensure the evacuation procedures are followed
- Designate responsible persons to:-
 - Phone 000 to notify the Fire Service of the fire emergency.
 - Take steps to extinguish the fire if safe and trained to do so.
 - Continue to assist people to evacuate to Assembly Point and account for all visitors and staff members. (*Assembly Point is located at the front of the Centre outside the gates.*)
- If any person/s is not accounted for initiate a search for missing persons
- If the fire emergency escalates then evacuate all persons to the oval
- Meet the fire service and advise them of any information relevant to the emergency.

Evacuation of all persons is to be the prime objective.

Supervision of Students

The good behaviour and general well-being of the students at the Centre is the shared responsibility of the visiting School staff and Centre staff. Primary responsibility rests with Centre staff during designated teaching times, and with school staff during all non-teaching times such as meal breaks. It is recommended that a school staff member sleep in each of the accommodation buildings as appropriate.

Alcohol

All attending personnel are strictly prohibited from consuming alcohol while the camp is in progress as per Department of Education Guidelines.

Smoking

This Centre endorses the Department of Education No Smoking Policy. Smoking is not permitted on the premises or within 5 meters of fence (no smoking at state and non-state schools, and for 5 metres beyond their boundaries). Please ensure that all staff members are aware of these requirements. There is a designated smoking area outside of the Centre grounds.

Catering

Schools can organise their own caterers (following the State Government Purchasing Guidelines), or utilise one of the companies below who have expressed interest in catering for schools who visit Barambah EEC. Please contact the caterers direct, as Barambah EEC has no connection with either of the companies listed below.

Caterer	Email Address	Phone Number	Fax Number
Avalon Fare Catering (Josephine Frost)	Email: avalonfare@optusnet.com.au	0450 512 795	
J.C. Catering (Judy Crawford)	Email: jc.catering@hotmail.com	4164 4396 0429 899 538	4164 4396

The Centre’s commercial kitchen is well resourced and all preparation and cooking equipment is provided. Crockery and cutlery is also provided and a commercial dishwasher is available for use.

Schools must be aware of the *Smart Choices Healthy Food and Drink Supply Strategy for Queensland Schools* which outlines the dietary guidelines for children and adolescents. When liaising with caterers please ensure that catering staff are aware of and provide healthy foods and drinks, as per the guidelines at <https://education.qld.gov.au/students/student-health-safety-wellbeing/student-health/smart-choices>

Litter Free Lunches

If students are bringing morning tea and lunch on the first day, we ask that it is 'litter free' to reduce the amount of waste at the Centre. This means that it does not contain anything that is thrown away such as glad wrap, plastic packaging etc.

A Litter free lunch may include things like a sandwich, yoghurt, sultanas, piece of fruit, cheese and crackers all packed in reusable containers and juice or water in a reusable drink bottle. Containers can be washed and taken home and all fruit and vegetable scraps can be composted.

Free Tree and Plant Purchases

Every student attending an excursion to Barambah EEC is given a free native plant to take home. Student and adults also have the opportunity to purchase extra plants and these will be sent back to the school with the visiting group. A letter to parents and a plant list are in the Forms section (see pages 20-21). Please collate the order forms, collect the money and give it to Barambah staff on arrival.

Merchandise

Barambah EEC has a range of "useful" merchandise, including hats, water bottles and reusable coffee mugs, available for purchase. This is an optional extra and it is the school decision whether or not to offer this to their students. There is absolutely no pressure or expectation from us that you will do so. We are simply responding to a number of requests over time for merchandise items. A merchandise list is in the Forms section (see page 22). Please collate the order forms, collect the money and give it to Barambah staff on arrival.

Room Allocations

It is the responsibility of the visiting school staff to allocate rooms to students and staff members. It is recommended that a staff member sleep in each of the barracks as appropriate and separate rooms are identified for this purpose. Lillypilly Lodge is only available for groups over 50 students as it is usually reserved for caterers, bus drivers and pre-service teachers.

For larger groups (over 56 students), there is an additional accommodation building that caters for 11 students and 1 staff member just outside the Centre grounds. Please contact the Centre if this extra accommodation is required and we will provide you with a building plan.

Phone Contact

There is no mobile phone coverage at the Centre. Teachers may use the land line to contact their base school or parents if necessary. For personal calls, we ask that visitors pay the cost of the call. Parents are welcome to call the Centre if they are concerned about their child, or if the child is having a birthday etc. Students may also ask to use the Centre phone to call their parents if necessary.

Information for school staff attending a Camp at Barambah EEC

Thank you for agreeing to accompany a camp to Barambah Environmental Education Centre. We appreciate the time you are giving to assist with this school camp and hope you enjoy your time at Barambah. Visiting adults accompanying school groups play a significant role in the success of the camp program, therefore it is important for supervising adults to be aware of their role in relation to their tasks, conduct and interaction with students while on camp.

Role of the Supervising School Staff

Although the role of school staff may vary according to the requirements of the class teacher, visiting adults are usually asked to perform the following tasks:

- supervising serving meals and washing up
- assisting with supervision of students during meals, showers, free play periods, and bed time.
- administering first aid (if current qualifications are held).
- notifying Centre staff or the visiting teacher of inappropriate student behaviour.
- modelling appropriate behaviour at all times.

School staff members should limit their participation in the student activities and are requested to give students the opportunity to think and do things for themselves. It is not appropriate for adults to directly answer questions intended for students or to complete work for students. If you are unsure about the level of assistance required, just ask one of the Barambah teachers.

Your visit to the Centre will be more enjoyable if you are dressed appropriately for activities. We recommend that long pants, shirt, socks, walking shoes, sunscreen and a hat are worn during day activities to contribute towards your safety and comfort. Your assistance with this will also provide an excellent role model for the students.

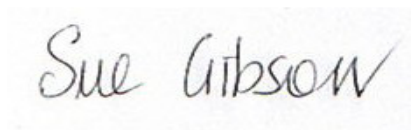

Student Expectations

For safety and conservation reasons, it is expected that students adhere to guidelines specific to the Centre's operations and National Park regulations. School support staff are asked to assist supervising teachers to enforce the following guidelines and also model the appropriate behaviour at all times.

- The area surrounding the Centre is National Park. All animals and plants are protected and nothing is to be removed.
- Recycling of rubbish is a priority of the Centre. Please follow the recycling procedures as indicated. Litter free lunches on the first day are encouraged to reduce the amount of waste.
- Students may only leave the Centre grounds when accompanied by supervising adults, with teacher and BEEC staff approval.
- Encourage the use of pathways around the Centre and defined tracks in the forest to reduce environmental impact.

The Centre is a Department of Education facility so smoking in the Centre grounds and the consumption of alcohol is prohibited.

We look forward to working with you on camp and we hope you enjoy your visit.

Dear Parents/ Guardians

Thank you for allowing your child to participate in the school excursion to Barambah Environmental Education Centre.

The Centre has a well-stocked native plant nursery and every student visitor receives a free tree to take home. Families are invited to purchase additional plants at the price of \$2.50 each. If you wish to purchase plants, could you please complete the attached order form and return it with the money to your child's teacher prior to the excursion.

We are looking forward to sharing this unique experience with your child.

Kind Regards

Directions to Barambah E.E.C. - (do not rely on GPS/phone)

Route 1 – Gympie to Barambah EEC via Widgee (NOT SUITABLE FOR BUSES/CARS)

The road via Widgee is 50 km and takes about 50 minutes from Gympie to the Centre. The last 16 km is a gravel forestry road so it is a bit steep and very rough in places, **we suggest only 4WD's use this route.**

- Travelling north through Gympie on the Bruce Highway, turn left at the traffic lights at the Monkland Street intersection (after the Albert Park Sports fields – left-hand side).
- Go over Kidd Bridge across the Mary River and travel 1.7 km to Gympie South State School. Turn right past the school into Widgee-Woolooga Road. The sign points to 'Widgee' and 'Glastonbury'.
- Travel for 28 km, go past Widgee State School then just after crossing the bridge over Widgee Creek, turn left into Upper Widgee Road. Sign says 'Manumbar'.
- Follow Upper Widgee Road for 9 km until you come to a 'No Through Road' sign. A brown forestry sign on the left says 'Gallangowan, Wrattens A Flat, Coolamon Road'. Turn right here (Quandong Road). There is a brown sign on the grid fence that points right to Barambah EEC.
- Follow this gravel road for 16 km to Barambah EEC, up the range and along the ridge tops. Keep on this road following signs to 'Gallangowan'. The Centre is on the right hand side of the road at the base of a long descent.

Route 2 – Gympie to Barambah EEC via Kilkivan – do not rely on your GPS/phone

The road via Kilkivan is bitumen all the way (apart from the last 3 km) and takes about 1½ hours from Gympie (105 km), recommended for anyone who is travelling by car or bus.

- Go through Gympie and 14 km north of Gympie turn left and go over Bells Bridge to 'Kilkivan' (38 km) following the Wide Bay Highway.
- Drive through Kilkivan towards Goomeri continuing along the Wide Bay Highway. DO NOT TURN LEFT UP BLACK SNAKE ROAD
- 19 km after Kilkivan turn left into Kinbombi Road. There is a sign here to 'Barambah Environmental Ed Centre'. (If you get to Goomeri township you have missed the turn).
- Follow this winding bitumen road for 31 km and turn left into A Flat Road. Sign to 'Barambah EEC'. Go for another 3 km down the gravel road crossing 2 grids and a small bridge The Centre is on the left.

Route 3 – Nanango to Barambah EEC via Elginvale

This road is part bitumen and part gravel. Will take just over 1 hour (approx 60km)

- Head north on the Burnett Highway (A3) from Nanango towards Goomeri for approx. 9km. Turn right into Manumbar Road. There are a couple of short sections of gravel road on this route.
- Follow this road for approx 45km then take a left hand turn onto Kinbombi Road. (Road is sign posted with a Barambah Env Ed. Centre road sign).
- This road travels through Elginvale property and the Manumbar crossroads. (Manumbar Hall is on your left and Manumbar Campdraft Grounds on your right just past the crossroads).
- Travel along Kinbombi Road for 4.5km, crossing a narrow bridge at Barambah Creek, then take a right hand turn into A Flat Road. Barambah EEC is located 3.1km along this gravel road, on the left hand side, just after you cross the second grid and a narrow concrete bridge.

Route 4 – Kingaroy to Barambah EEC via Elginvale

This road is part bitumen and part gravel. Will take just over 1 hour (approx 70km)

- Travel out of Kingaroy along Haly Street/ Kingaroy - Barkers Creek Road toward the Burnett Highway.
- Turn left onto the Burnett Highway, travelling north for 1km then turn right into Wansbeck-Manumbar Rd.
- Follow this road approx. 4km through to the 'T' intersection with Manumbar Road and turn left.
- This road travels straight through Elginvale property and the Manumbar crossroads. Manumbar Hall is on your left and Manumbar Campdraft Grounds on your right just past the crossroads.
- Follow Manumbar Road for approx. 32km before taking a left turn onto Kinbombi road. Road is sign posted with a Barambah Env Ed Centre road sign.
- Travel along Kinbombi Road for 4.5km, crossing a narrow bridge at Barambah Creek. Turn right into A Flat Road. Barambah EEC is 3.1km along this gravel road.

Route 5 – Murgon to Barambah EEC via Redgate

This road is part bitumen and part gravel. Will take about 45 minutes (approx 50km)

- Follow the Bunya Highway out of Murgon toward Goomeri. Turn right at Murgon-Barambah Road (approx 4km) – following the wine trail through Redgate.
- Take the first turn left (2km) at Kilcoy-Murgon Road, following this road through to the Burnett Highway "T" intersection (approx 9km).
- Turn right onto the Burnett Highway and travel 3km to the Kilcoy-Murgon Road turn off on the left hand side. Follow this road for 16km.
- The next turn off is P.E.I. Road – a gravel road on the left hand side, crossing Barambah Creek. This road will intersect with Kinbombi Road.
- Turn right onto Kinbombi Road and follow for approx. 11km to A Flat Road (turn off to left). This road is marked with "Barambah Env Ed Centre" road sign. Barambah EEC is 3.1km along this road.

Route 6 – Kilcoy to Barambah EEC

The road is bitumen until Jimna fire tower then mostly gravel for the rest of the journey. This route will take about 1.5 hours (approx. 100km).

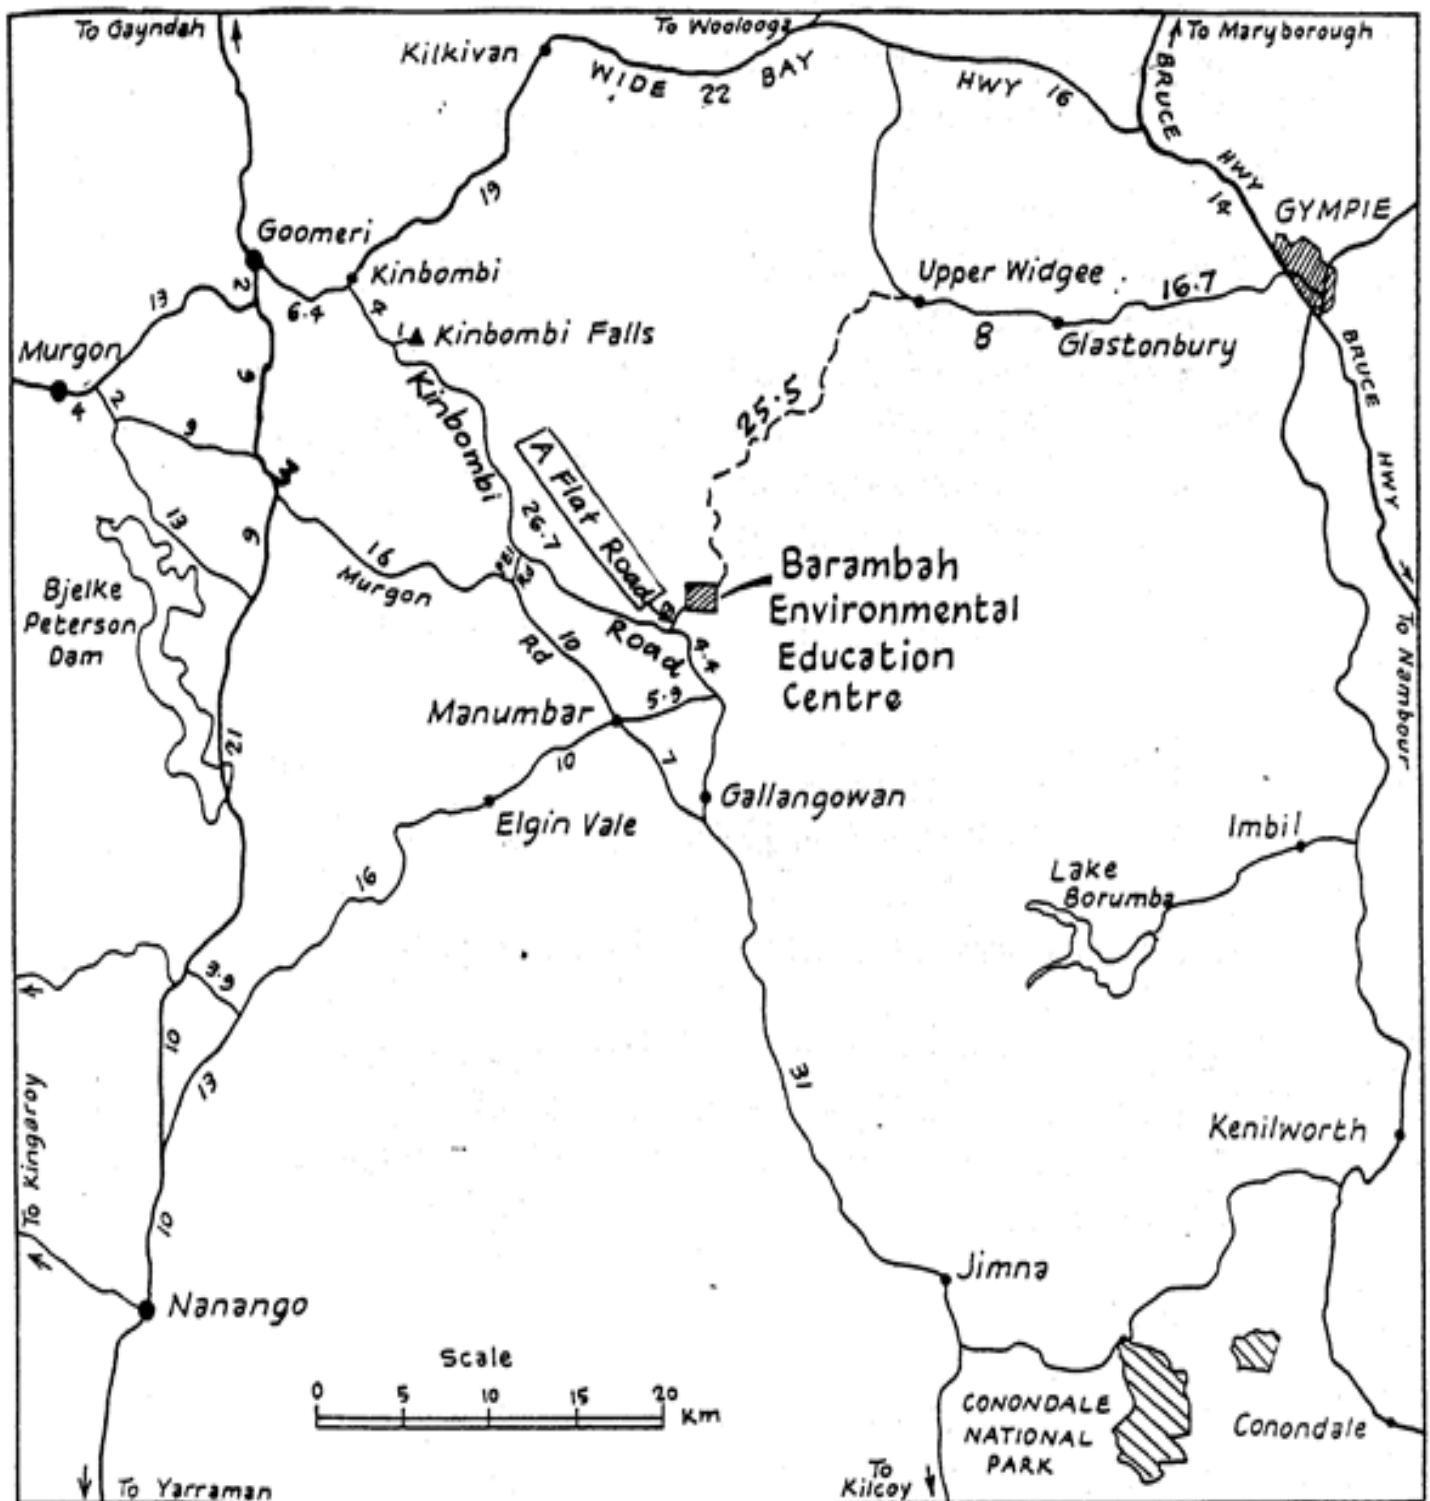

- At the roundabout in Kilcoy township take the exit onto Kennedy Street.
- Continue onto Kilcoy - Murgon road and stay on this road for approx. 80km. Ignore signs to turn off to Jimna township.
- Turn right onto Manumbar road and continue down the road for approximately 6km. Manumbar Hall is on your left and Manumbar Campdraft Grounds on your right just past the crossroads.
- Turn left onto Kinbombi road and follow the bitumen road for approx. 4.5km before turning off to the right onto A Flat Road. Barambah EEC signs point the way at these road intersections.
- Barambah EEC is 3.1km along this road on the left hand side.

Safe driving!

If you need help on the way, ring us at the Centre on 4168 8190.

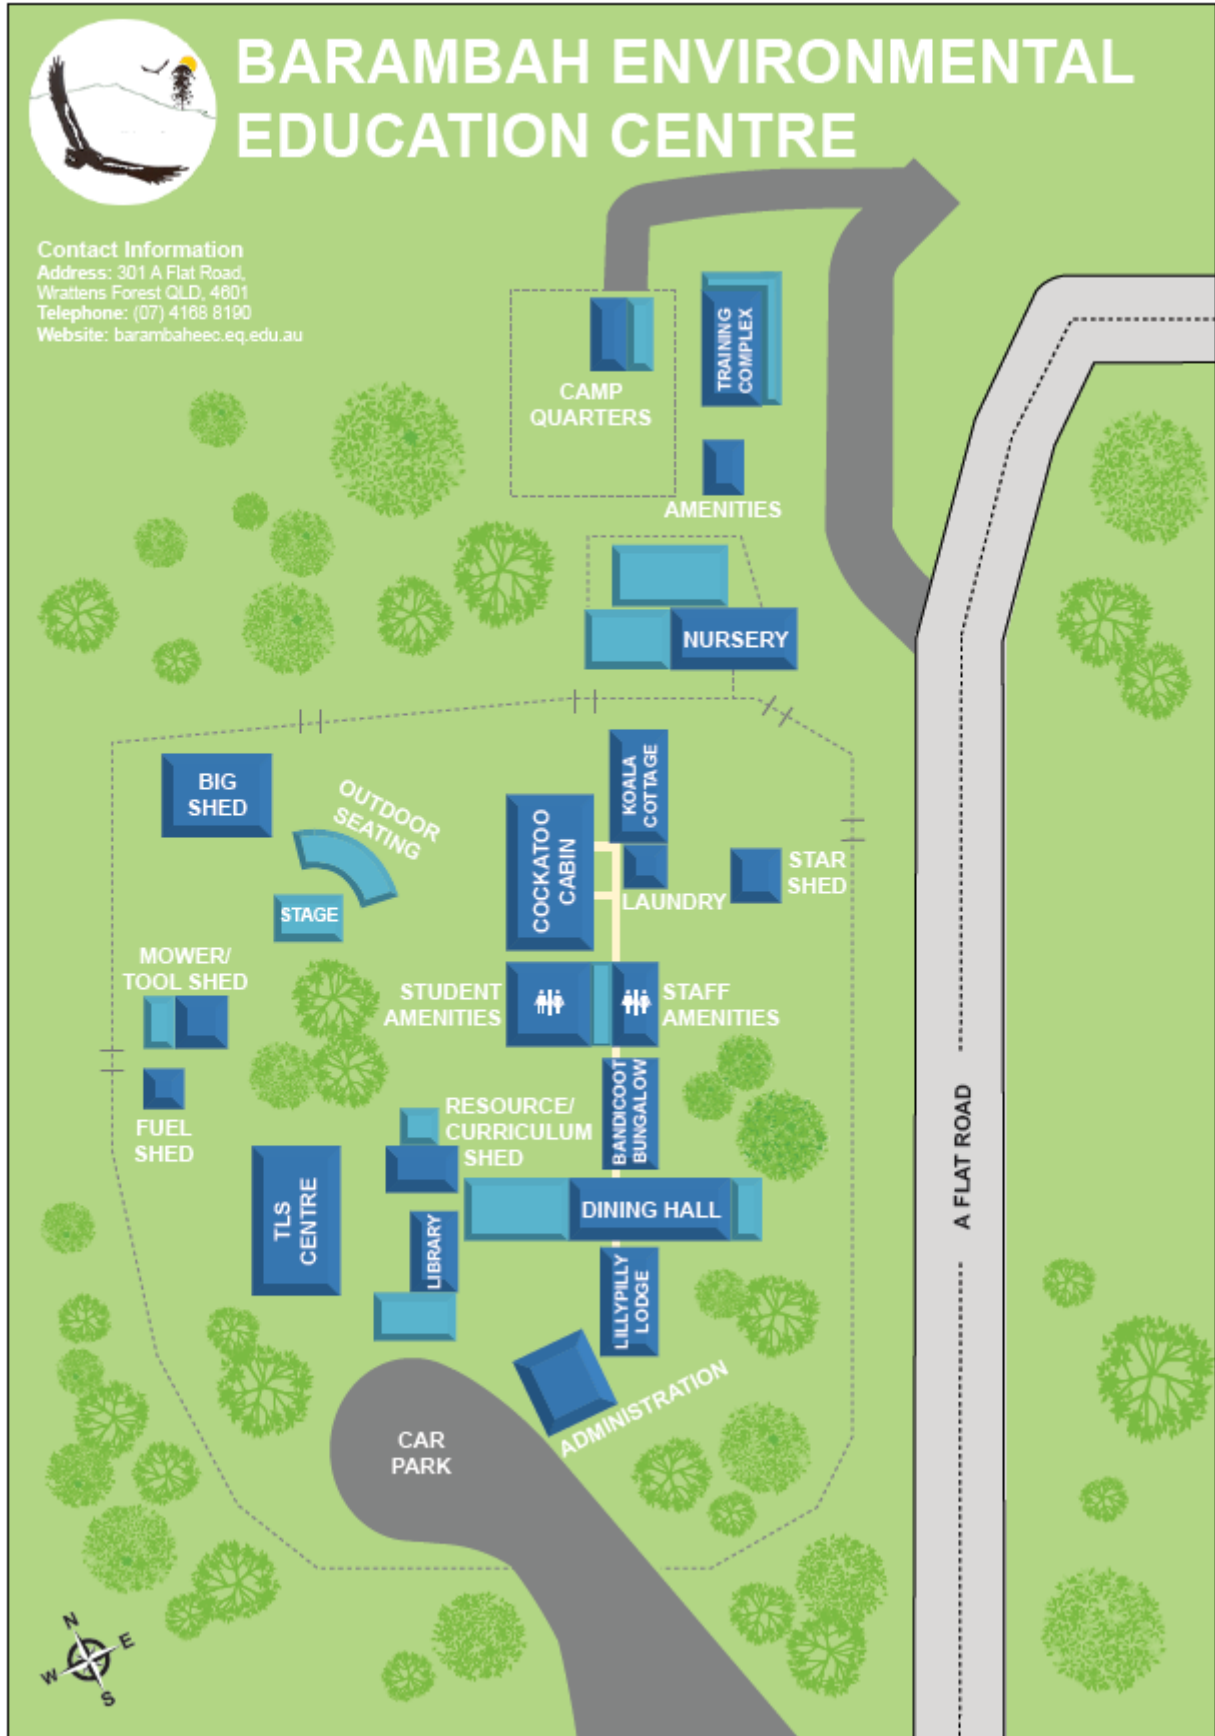

There is mobile coverage at various points so you might be lucky!

How to Get There

Note: The road via Upper Widgee is a gravel forestry road so it's a bit steep and rough in places. Four wheel drives or cars with good clearance are recommended.
