

*School Excursion CAMP*  
*to*  
*Barambah Environmental Education*  
*Centre*

*By Sandra Gilchrist*

On \_\_\_\_\_ the \_\_\_\_\_ of \_\_\_\_\_ my school mates and I are getting on the bus at \_\_\_\_\_ to travel to Barambah Environmental Education Centre for camp. It will take about \_\_\_\_\_ hours.

Barambah EEC

When we get to Barambah we will get off the bus and unload our bags. I will place my bags on one of the green lines in the shelter shed.

Then I will do an activity that will help me find my way around Barambah.

Once that is finished I will take my bag from the green line and take it to the cabin I will be sharing with some of my friends and make my bed.

Some of the people I might meet at Barambah are:-

Sue

Peter

Steve

Cyndi

Danny

Greg

Mark

*Here is the dining room where I will sit with my friends and teachers to have breakfast and dinner.*

*This is the amenities block where the toilets and showers are and where I can brush my teeth.*

*I will be taking part in lots of fun activities, some of the things I will be doing are:-*

*Bush walking and learning about the environment.*

*Giving back to country and helping the environment by taking part in lantana tug of war.*

*I have lots of things to do in free time; I can play ping pong, hand ball, Pete's ring toss, hopscotch, checkers or quoits.*

*If I want some quiet time I can sit by the pond and watch the birds.*

*One of the animals I might see is a goanna.*

*At free trees I will get to choose a plant, the plant will go in to a box with everyone else's plants and be put on the bus. The teacher will give me my plant when I get back to school.*

On the last day of camp I will pack my bags, leave my room tidy and line my bag up in the shelter shed.

When camp is finished I will get on the bus with my friends and teachers and wave good bye to Barambah.

I am going to have lots of fun and learn many things on camp.

If I am a little bit unsure about camp I can ask my teacher some questions. Everyone at Barambah is very friendly and nice.
